The learning journey lists all trainings that amfori BEPI members should ideally take as they proceed on their path towards improved sustainability.

The journey indicates where Business Partners should start and what training to take as part of each step of the journey. Here is an example of what the steps in the learning journey include:

**Step 1: Embed responsible business conduct into policies and management systems**

Introduction: amfori BEPI and responsible business conduct:

1.1 Attend our training: [Getting started with amfori BEPI for Business Partners](#) and watch our [eLearning](#)

to find out:

- what amfori BEPI is
- how to get started with implementing amfori BEPI in your company
- how to activate your account and how to input information on your amfori Sustainability Platform profile

1.2 Study:

- [Guide to the amfori Sustainability Platform - for Business Partners](#)
- [amfori BEPI: Site Details Guidance for Business Partners](#)

to discover more about:

- amfori BEPI on the Sustainability platform

To participate in training sessions, Business Partners must register in advance.

Additionally, Business Partners can complement their instructor-led trainings by following our eLearnings, embedded in each step of the learning journey ([Environmental Due Diligence \(EDD\) Learning Journey for amfori Business Partners](#)). The eLearnings help Business Partners prepare for sessions with instructors and further improve their knowledge.

**"Improvement Activities for amfori BEPI" eLearning**

As Capacity Building is one of Improvement Activities within amfori BEPI, Business Partners can also find out more about our trainings by completing the "Improvement Activities for amfori BEPI" eLearning, available [here](#).
